

## Suncreek Confirmation 2026-2027

Confirmation is a significant step in the personal faith journey of our youth. Through Confirmation, students are invited to explore their faith more deeply and prepare to claim the Christian faith as their own.

Throughout the year, Confirmands learn about the meaning of Christian faith, the history, beliefs, and teachings of The United Methodist Church, and the Bible. Students learn how the Bible came to be, gain a better understanding of its stories and teachings, and discover how Scripture continues to guide and shape our lives today. They also explore the baptismal and membership vows they will have the opportunity to profess on Confirmation Sunday in the spring.

Confirmation is about more than classroom learning! During the year, students also participate in retreats, social activities, field trips, and service projects within our church and community. Together, these experiences help students build relationships, grow in their faith, serve others, and discover what it means to live as a follower of Jesus Christ.

### September

- 13 Confirmation Overview
- 20 What is the Bible?
